

AHIMA has firmed up plans with NYHIMA (New York Health Information Management Association) to hold two ICD-10 Academies in New York. One academy will be held in Albany, NY, and the other will be in New York City near LaGuardia.

Tentative dates on the table for this event are:

1st choice: November 3, 4, 5

2nd choice: November 10, 11, 12
